# Child Date of birth (DOB) SSR

Answer ID - AN 13841

- **Galileo automatically generates an SSR CHLD remark when Child details are stored in the booking file**

- **This transmits the Child information to the airline to advise that a child passenger is travelling.**

Entry - N.JAMES/CLAIRMISS*P-CO4

  1.1JAMES/MARYMRS   2.1JAMES/CLAIRMISS*P-C04
 1. UL  504 Y  30MAY LHRCMB HK2  2130  #1245  O*       E TH
NO OSI EXISTS
** MANUAL SSR DATA **
  1. SSRCHLDUL HK  1 /-1JAMES/CLAIRMISS
>
```

- **Note:** The age of the child is stored as a passenger type code, and the Galileo system will quote an appropriate child fare at the time of fare quote .

- **The airlines required the Child Date of Birth (DOB) as additional information.**
- **Child DOB should add as a SSR remark and format should be DDMMMYY**
