GET MOVING

GET MODERN

More effortless way to retail with Travelport+
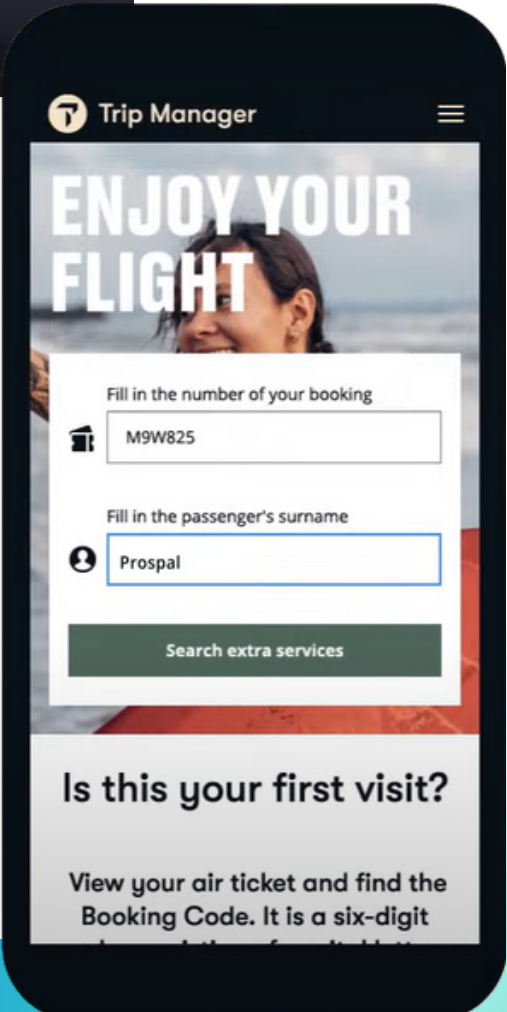

Agency retailing made easy.

**Seamlessly access and manage all your travel needs, from air to hotels, in one powerful platform**

Hello to simpler travel retailing

Travelport Smartpoint

Why Smartpoint?

→ **All Air and Non-Air functionalities**

→ **Supports cryptic and rich graphical interfaces**

→ **Faster, simpler refunds and exchanges**

→ **Personalised workflows, rich hotel related content**

Content curation layer

Time-saving and efficient

**Streamline your process with retail-ready content from every source**

Travelport RESTful JSON APIs

→ **Based on Open Travel Alliance (OTA) API standard**

→ **Leverages Open Distribution Methodology (ODM) concepts**

→ **Lightweight JSON format for improved performance**

→ **Supports higher shopping volumes and complex searches**

D2C = Difficult to Compare
(Direct to Consumer)

# Compare apples to oranges in an apples to apples way

Future-proof travel solutions with fast, reliable, and scalable APIs

Travelport Flight Search

Enjoy a modern shopping experience with side-by-side comparisons and rich content, making decisions faster and simpler
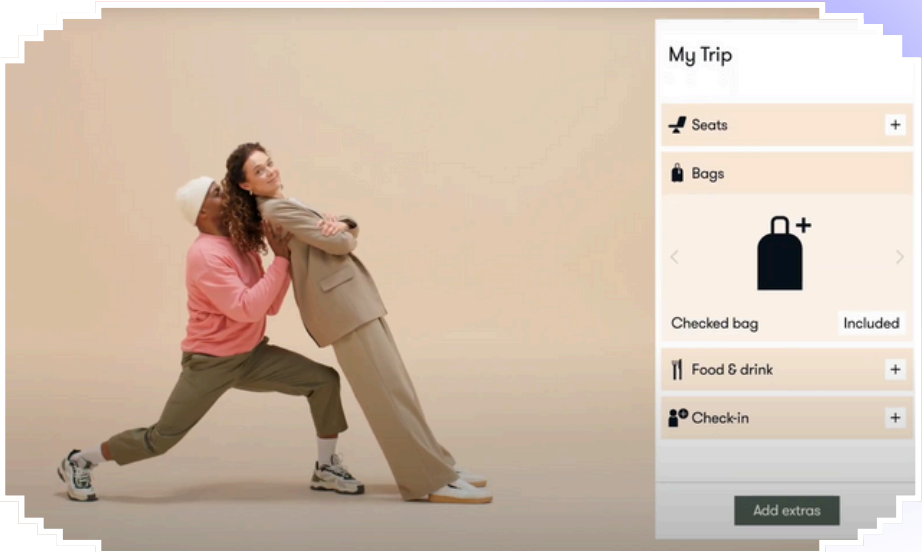

Earn more from easy upsell and cross-sell

Easily filter, find, and compare flights with a retail-ready storefront, boosting your upsell opportunities.
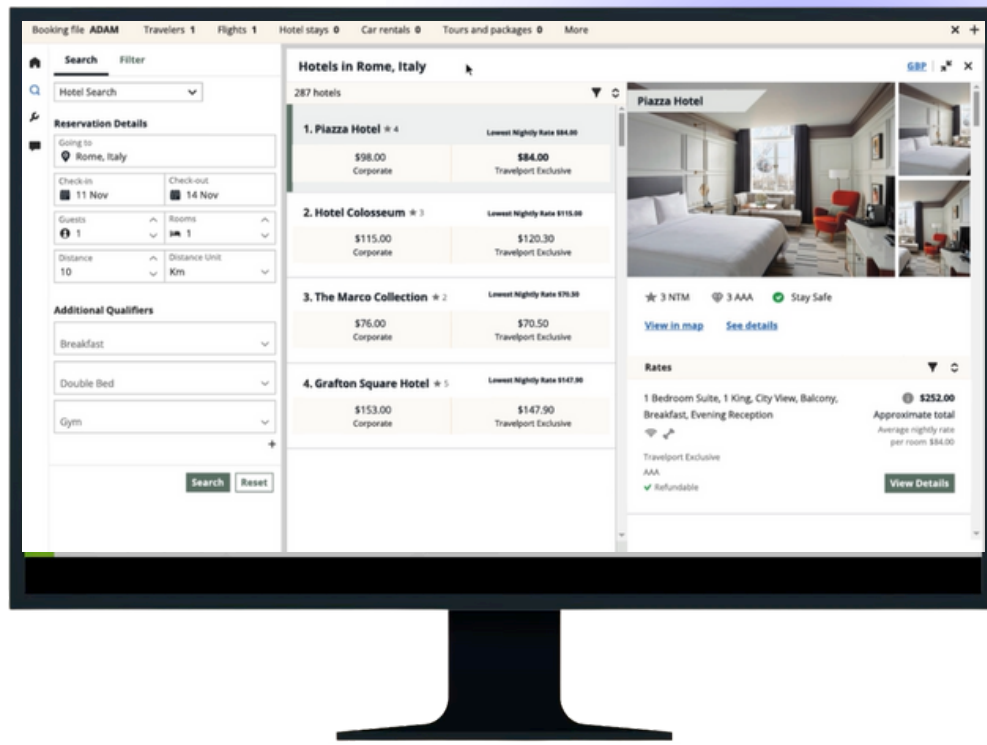

Faster Better and More rewading

Travelport Smartpoint Cloud

→ **Web-based, no installation or manual updates needed**

→ **Accessible anytime, anywhere through a browser**

→ **Seamless transition between Smartpoint Cloud and Travelport+**

→ **Cryptic user interface for experienced users**
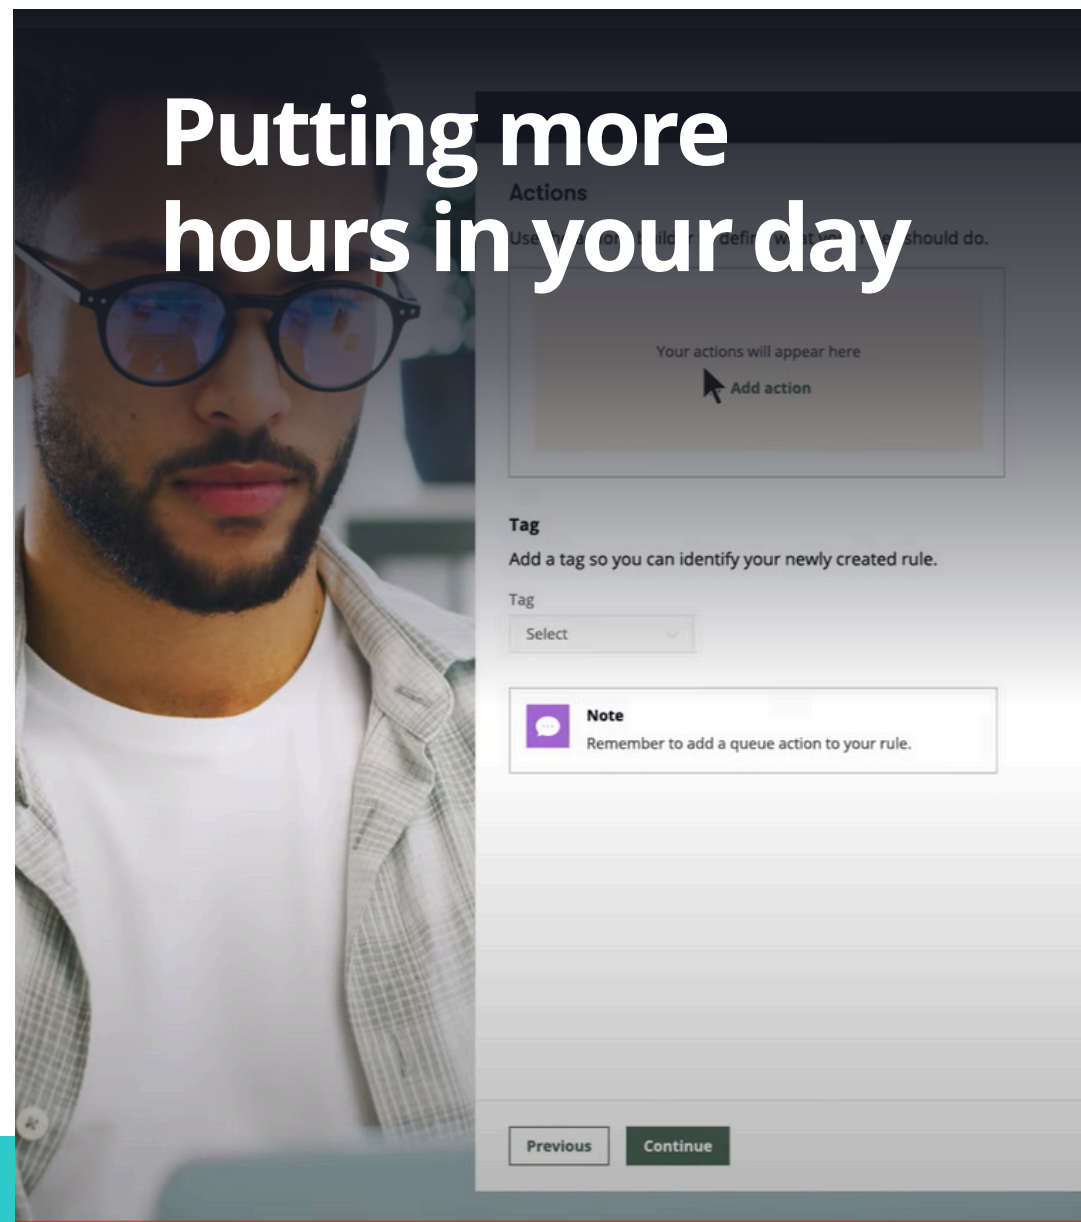

Productivity Automator

Say Goodbye to Manual Tasks and Say Hello to Simple Automation

Automate repetitive tasks and supplier calls, giving you more time to drive business growth and seize new opportunities

Hotel Retail

→ **Interactive, intelligent storefront to easily locate the best hotel properties**

→ **Access exclusive rates and compare multiple options quickly**

→ **Transform labor-intensive tasks into expert-level hotel bookings with ease**
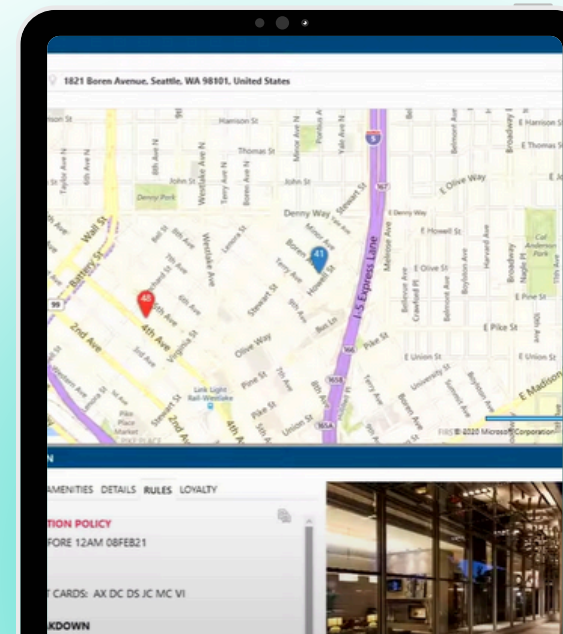

Content Optimizer

→ **Secure, web-based tool for TMCs, OTAs, and Consolidators**

→ **Create custom rules to control content visibility during availability, shop, fare display, and pricing**

→ **Enhance profitability and conversions with tailored content management**
